With many Australians eager to experience a white Christmas, Trafalgar's festive itineraries allow you to uncover and be a part of many local specialties, while being treated to unforgettable *Insider Experiences* to help mark this occasion.

During this celebratory time of the year, the personality of each country shines even brighter highlighting their unique holiday traditions that capture the true essence of these regions. The **11-day Christmas in New York**, **15-day Christmas in Europe** and the **11-day Western Canada Christmas Adventure** guided holidays take in the very best of these destinations and offer a unique way for you to see these parts of the world while forging new friendships.
