

# Your Pre-Travel Checklist.

Navigating travel requirements can be challenging, that's why we've put together this handy checklist to help you prepare for your upcoming trip. All travel requirements must be satisfied to travel, so we recommend completing each item as soon as you can to ensure your Trafalgar vacation is worry-free and effortless.

**Book Your Trip**

**Complete Trip Registration**

Log into the My Trafalgar portal and complete Trip Registration for all guests travelling with you. This information is required to release your Travel Documents and will be used to contact you in the unlikely event of an emergency.

**Purchase Travel Insurance**

Trafalgar strongly recommend you obtain travel insurance covering all applicable dates of travel including both Travel Protection and Covid Protection. This insurance should cover trip interruption, personal injury, medical expenses, evacuation and repatriation cover including during pandemic events. Please contact your insurance provider of your choice.

**Review Well-being Protocols**

Get peace of mind with our approach to health and well-being while travelling. Review our protocols at [www.trafalgar.com/wellbeing](http://www.trafalgar.com/wellbeing).

**Check Current Travel Restrictions**

It is important, and your responsibility, to stay well-informed about requirements and guidelines for the countries you are travelling to and from. Some countries require proof of a negative COVID-19 test, regardless of vaccination status, before travel; some countries require specific types of tests. Due to the rapid change of travel restrictions, we recommend you check [www.trafalgar.com/sherpa](http://www.trafalgar.com/sherpa) frequently and verify travel/entry requirements up until your departure.

Airline requirements may vary for boarding, please validate directly with the airline prior to check-in.

**Confirm Your Vaccine Status**

All guests travelling with Trafalgar through December 31, 2022 are required to be fully vaccinated against COVID-19, which may include a booster shot to keep it current and valid.

Until further notice, children not eligible for vaccination and/or booster at the time of travel must provide a verifiable negative Covid-19 test result (electronic or paper showing date and time of test) taken within 72 hours prior to the start of the tour (taking time zones into consideration).
