TRAVEL THE WORLD. AND CHANGE IT.

When you choose to travel with Costsaver, you choose to make your travel matter.

We have a five-year How We Tread Right Sustainability Strategy that shapes everything we do, from the way we run our business, to the places we choose to visit, to the things we do there and more. It's based on 11 measurable goals anchored to the UN's Sustainable Development Goals (SDG). Here's a deeper dive into just three of them:

DIVERSITY, EQUITY AND INCLUSION.

For us, this is the foundation of meaningful travel: to meet different people, experience diverse cultures, and learn new perspectives. Therefore it's ingrained in everything we do, at all levels of our business.

ON TRACK TO NET ZERO EMISSIONS BY 2050.

As the only tour company with validated near-term and long-term net zero science-based targets, we're dedicated to reducing and removing greenhouse gases from the atmosphere to help combat climate change.

MAKE TRAVEL MATTER® EXPERIENCES.

On every tour you can experience at least one MAKE TRAVEL MATTER® Experience. Working alongside local communities and organizations, these experiences are designed to leave a positive impact on the places, the people and the wildlife we encounter along the way. And the best bit, each advances at least one of the United Nations Sustainable Development Goals.

MAKE TRAVEL MATTER®
EXPERIENCE

WE SUPPORT THE SUSTAINABLE DEVELOPMENT GOALS

A woman is seen from the back, standing on a boat made of reeds on a body of water. She is wearing a bright orange long-sleeved top with gold-colored details on the cuffs, a long blue skirt with horizontal ruffles, and a wide-brimmed straw hat with a blue flower. Her hair is in two long braids with colorful tassels. In the background, there are two large, carved wooden heads of animals (possibly llamas or alpacas) mounted on the reed boats. The sky is blue with scattered white clouds, and a hilly shoreline is visible in the distance.

Essentials by Us: Visit Lake Titicaca, the Andean 'birthplace of the sun,' and explore the Uros Islands. Meet the locals and discover the way life is lived on the water. This supports UN SDG 10: Reduced Inequalities & UN SDG 11: Sustainable Cities and Communities. Included on **Peru Explorer** (p. 112) and **South America Discovery** (p. 113).

A person's hands are holding a smartphone, capturing a photo of a vibrant parrot with yellow, green, and blue feathers. The background is a blurred tropical scene with lush greenery and a waterfall. The text is overlaid on the image.

MAKE YOUR TRAVEL MATTER

**MAKING

**MAKING A

AT THE SAME
TIME IS
PRICELESS.**

...

A close-up photograph of two parrots perched on a light-colored wooden branch. The parrot on the left is a Green-winged Macaw, featuring a vibrant red forehead, green wings, and a reddish-brown body. The parrot on the right is a Blue and Yellow Macaw, with a bright blue head and back and a yellow body. Both birds have large, dark, hooked beaks and are looking towards the right. The background is a soft-focus view of a forest with tree trunks and foliage.

Tailored by You: Step into a world where feathers flutter and songs fill the air. Visit a family-owned park in Iguassu Falls, a sanctuary within the subtropical forests, with 900+ native birds from 150 species. This supports UN SDG 15: Life On Land. Choice Experience on **South America Samba** (p. 113) and **South America Discovery** (p. 113).

The one thought on everyone's minds today: will you spot the Big 5? Rise with the Cape turtle doves and let their songs kickstart another magnificent day in South Africa. We'll get out into the bush early to avoid the heat of the day. After grabbing a cup of coffee, don your safari hat for a morning adventure through the fynbos-clad landscape in search of wildlife. You may be lucky enough to spot lions lazing in the shade of a tree, buffalo weavers stripping the trees to craft their nests or perhaps even a lonely dung beetle rolling his 'treasure' uphill. DAY 7. HIROSHIMA SIGHTSEEING

Today's Hiroshima sightseeing tour will begin with a ferry ride across the beautiful Seto

Inland Sea, bound for the island of Miyajima. Considered one of Japan's most scenic spots, this is where you'll visit the 12th-century Itsukushima Shrine and see the famous orange torii gate, which appears to be floating above the sea. Heading back to Hiroshima, it will be on to the quiet, leafy space of the Peace Memorial Park. Dotted with memorials and tranquil spaces for reflection, visit the cenotaph displaying the names of all those who lost their lives in the catastrophe before heading on to the Memorial Museum. Here, exhibits of ragged clothes, a melted lunchbox and a watch frozen in time at 8.15am all bring home the horror of a day that changed history forever. Your tour will end at the UNESCO-listed Peace Memorial, the only building in the city to survive the bomb. This afternoon, perhaps opt to join our 'Secrets of Hiroshima' Choice Experience. **(B)**

CHOOSE Dine on oysters, sashimi, miso soup and rice followed by a visit to Shukkeien Japanese Garden and Hiroshima Castle.

DAY 8. HIROSHIMA - HIMEJI

DAY 9. HIMEJI - OSAKA

At the center of it all is the city's icon, the CN Tower, its 553 meter (1,815 foot) spire dominating the landscape. After settling into your hotel, you can wander around the district's open-air markets. For dinner, why not head to Kensington Market, where fusion food is taken to all new heights. Hotel: Chelsea

We hope you're hungry this morning, as for breakfast you'll be heading to the iconic Érablière le Chemin du Roy, a traditional Cabane à Sucre (sugar shack) where you'll learn how maple syrup is harvested and turned into other maple products. You'll then make the short drive to Montréal. On arrival, you'll meet up with a Local Guide for a city tour of the UNESCO-designated 'City of Design'. This afternoon, choose Montréal your way. DAY 1. ARRIVE SAN JOSÉ

Let the Pura Vida way of life take over as you arrive in Costa Rica's cultural capital, San José. Arriving today, settle into your hotel and then head out to explore. Trendy Barrio Amón offers a wonderful glimpse into the history of the city with its vast colonial mansions converted into art galleries, whilst Barrio Escalante is the gastronomic epicenter and the best place to grab dinner. Hotel: Palma Real

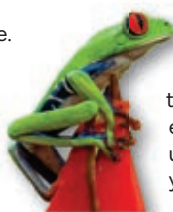

Welcome: You can visit the Welcome Desk from 15:00.

DAY 2. SAN JOSÉ - MONTEVERDE

Finish your final morning in San José with a quick sightseeing tour of the city's most iconic sights, you'll then travel north towards the creative little town of Sarchí. Widely regarded as the cradle of Costa Rican artisanship, this is the place to buy intricate arts, crafts, and souvenirs. The finest display of Sarchí's creative offering comes courtesy from the highly decorative oxcarts that are displayed there. Elegantly carved and hand painted in bright colors, the oxcart is a national symbol of Costa Rica and a beautiful reminder of its humble beginnings. Take your time browsing the shops and stalls here, before continuing your journey through the Tilaran Mountain range. Climbing higher and higher, listen out for the collective sighs of appreciation as you enter the mysterious and misty Cloud Forest. **(B, D)** Hotel: El Establo Mountain

DAY 3. MONTEVERDE SIGHTSEEING AND FREE TIME

CHOOSE Explore Monteverde Cloud Forest at night with a Local Guide, discovering its ecosystems, flora and fauna.

DAY 4. MONTEVERDE - ARENAL

Relax and soak up the changing scenery this morning, passing cattle ranches and coffee plantations on your way to La Fortuna and its stunning backdrop, Arenal Volcano. One of the shining jewels in Costa Rica's already bedazzling crown, this region is best known for its bubbling hot springs and geothermal activity, its wide variety of wildlife and, of course the sleeping giant, Arenal Volcano. As exciting as all this is, your attention upon arrival will likely be taken up by your gorgeous and secluded resort in Arenal, nestled on the banks of the San Carlos River. Boasting outdoor pools, a butterfly garden, botanical gardens growing all manner of fruit trees, and tame iguanas roaming the grounds, you'll likely feel like you've entered a little corner of heaven. **(B)** Hotel: Tilajari Hotel Resort/Hotel Lavas Tacotal

DAY 5. ARENAL FULL DAY SIGHTSEEING

After a morning at leisure, you'll 'sky walk' your way through the jungle canopy of Arenal Hanging Bridges Park, testing your head for heights on the six suspension bridges while spotting a wide variety of bird life. This evening, let your worries and stresses drift away and opt to relax in the mineral-rich pool of the local hot springs. **(B)**

DAY 6. ARENAL SIGHTSEEING AND FREE TIME

Another day, another chance to explore Costa Rica's natural wonderland. This morning, float down the peaceful Peñas Blancas River with your Local Guide, watching for monkeys, sloths, iguanas and tropical birds along the way. Enjoy the quiet as you paddle without a motor, stopping to visit a local family and learn

how closely they live with nature. It's a tranquil, photo-worthy journey through the heart of the rainforest. **(B, D)**

DAY 7. ARENAL - DEPART SAN JOSÉ

Say farewell to Costa Rica and transfer to San José International Airport, arriving at approximately 11.00 a.m. or extend your trip to Tortuguero. **(B)**

LET THE FUN BEGIN...

Choose to extend your trip with this locally hosted pre-trip Tortuguero add-on. This 4-day trip ends in San José to link you up with day 1 of your Costa Rica Adventure trip. You'll cruise canals and keep watch for jaguars, macaws, and sloths as you hike through the jungle with your dedicated Local Guide, who'll share their knowledge of this diverse, lush ecosystem. You'll also learn about the work of the conservationists at the Green Turtle Research Station, and if the season is right you can even choose to try and spot turtles laying their eggs on the beach—an experience that truly cannot be missed. You will also get some free time to relax and to take in this beautiful region.
