Day 1, Arrive Bali - Ubud

'Om suastiastu' and welcome to beautiful Bali. A place that evokes an image of paradise in name alone, Bali is every beach loving, culture seeking traveller's idea of perfection. Touching down today, you'll transfer to your hotel in the cultural hub of Ubud. Surrounded by lush green rice paddies and a haven for yoga enthusiasts, artists and foodies alike, Ubud is something special. Settle into your hotel this afternoon, then meet up with your Travel Director and fellow travellers this evening to get a glimpse of what's to come, before getting to know each other a little better over dinner. **D Hotel: Prime Plaza Hotel Sanur**

Day 2, Bali Sightseeing

Today will be packed with adventure, so be sure to fuel up at breakfast. We'll kick things off with a visit to Mas Village and a traditional wood carving workshop, before continuing on to explore the lush green terraces of Tegallalang, one of the most defining views of Bali.

Up next, a visit to a coffee plantation to learn how our favourite morning beverage is made (with samples, of course), before we move on for a lunch with a difference. What's the difference? Well, when was the last time you tucked into a traditional Balinese meal with a view of a sacred volcano mountain in the background? Still not done with the day, we'll make our way back to Ubud for a visit to 'Puri Saren Agung', or Ubud Palace, the former official residence of the royal family of Ubud. Finally, we'll finish the epic first day of your Bali tour with a trip to Ubud Market, where there's time to shop for locally made art and handicrafts. **B, L**

Day 3, Ubud Free Day

Yesterday was a busy one, so today you have the chance to slow down and explore Ubud your way today. With your free time you could choose to visit the famous monkey forest, where over 700 long-tailed grey macaques roam free amongst the temple ruins. Alternatively, you could take part in one of our **optional experiences** to embrace the true spirit of Ubud. In the morning, perhaps join our cooking class to learn the secrets of traditional Balinese food, or in the afternoon get to know your inner yogi with a spiritual yoga experience, where all levels are welcome. **B**

Day 4, Ubud - Sanur

Beach bliss awaits us in Sanur later today, but not before an action-packed day of sightseeing. The serene 17th century Ulun Danu temple will be our first stop, where a temple dedicated to the Goddess of the Waters is built on the small islands of Lake Bratan. From here we'll continue on to Mengwi and the temple of Taman Ayun. Built in 1634, the temple is surrounded by a wide moat and has a series of courtyards which feature a number of Meru (multi-tiered shrines). Still not tempted out, our final visit of the day will be to Bali's most photographed temple, Tanah Lot. Perched precariously on a wave whipped rock, this 16th century icon is still a major crowd pleaser. Feeling culturally satisfied, we'll then end the day to the gentle sound of the waves, in laidback Sanur. **B, L**
