“ Seeing travel dreams come true for our guests brings me immense joy. As a Travel Director, I meticulously plan every detail in advance so guests can immerse themselves in the local culture without concerns about reservations, locations, language barriers, hidden costs, or missed opportunities.

Our days are filled with included activities and Optional Experiences led by Local Specialists. I ensure there's ample free time for guests to relax, sip a cappuccino, or shop for souvenirs, blending seamlessly with the Italian lifestyle.

I strive to personalize travel experiences, recognizing that each guest has unique

interests and needs. I also love assisting with special celebrations like birthdays, anniversaries, proposals, and unique requests. Once, I helped a guest recreate a photo of her great-grandparents by finding the exact spot in Italy where the original picture was taken.

One of my favorite activities is visiting local fresh produce markets, where guests enjoy seasonal foods and traditional recipes. Another highlight is our Be My Guest experiences, where guests connect with local families or small businesses, learning their stories and feeling welcomed into spaces usually closed to the public. I can't wait to share all this and more with you.”

## Meet Jen

General Manager, Travel Experiences for Europe & Britain.

“Trafalgar delivers the magic of travel differently. We handle all the details, so you can simply hop on a coach, relax, and enjoy the journey.

Along the way, you'll meet fascinating people who will immerse you in the local way of life. Our Local Specialists will guide you through iconic sites like the open air museum in Piazza della Signoria in Florence (p.41) and the Latin Quarter in Paris (p.109). This personalized touch ensures you get the very best out of every place you visit.

Plus, on every Trafalgar trip, you'll enjoy a Be My Guest experience, combining hospitality, stories and culture—something you wouldn't have access to on your own. Take hosts Tiago and Vera, for example, who reveal the charm of rural Portugal and their ancestor's legend as

they welcome you to their family's stud farm. Begin with a drink in the stables, then tour the property, see the horses, and hear the romantic story of their ancestor Jacinto, who vowed eternal devotion to the King of Spain's wife by never trimming his beard again (p.119).

Another highlight is visiting Monika and Gregor Slibar, who will show you around their generations-old farm in Slovenia and share their commitment to living off the land. Their farm has been fully organic for two decades, and you'll be treated to a traditional Slovenian feast straight from their farm (p.153).

Locals like these bring an authentic flavor to your trip, as well as an element of surprise. This is what makes our tours special and ensures you get the most out of every destination."
