Pioneering Responsible Travel

MAKE YOUR TRAVELS A FORCE FOR GOOD.

Travel has the transformative power to create a positive impact not only on you but also on the locals of the destinations you visit. As a tour company, we're driven by the mission to protect the world as we know it, ensuring future generations can discover it. We pledge to make a positive impact on the people and communities we visit, protect the wildlife we encounter and conserve the natural resources of the planet we call home. This comes to life through our 5-year sustainability strategy How We Tread Right (HWTR) and our not-for-profit TreadRight Foundation, which supports sustainable travel initiatives worldwide, with a focus on nature-based solutions to the climate crisis.

THE 5-YEAR STRATEGY

How We Tread Right (HWTR), is our guiding light when it comes to addressing the impact of our business and trips. It consists of 11 measurable goals which address the issues of climate change, sustainable food production, waste reduction, travel experiences, diversity and inclusion, and wildlife — all anchored to the United Nations Sustainable Development Goals (SDGs).

OUR JOURNEY TO NET ZERO

Since the inception of our sustainability strategy, the global community has continued to rally in response to the urgent need for climate action. We're committed to achieving net-zero greenhouse gas (GHG) emissions by 2050. Our dedication to this goal is outlined in our Climate Action Plan, with science-based targets to address our carbon footprint. We are proud of the fact that, alongside our sister brands, we became the first global tour operator to have near-term, long-term and net-zero targets validated by the Science Based Target initiative (SBTi).
