TINY NOTICEABLE TOUCHES™

Unparalleled luxury found in every detail

Welcome Aboard

The moment you step aboard one of our *Floating Boutique Hotels*[™], you enter a world of unparalleled luxury, infused with the warmth of our service-driven crew and an immersive atmosphere that brings to life your travel destinations.

Since our founding in 1976, Uniworld has taken pride in crafting one-of-a-kind journeys to some of the world's most remarkable places. Today, that world is broader than ever, with itineraries spanning **Europe, Southeast Asia, Egypt, India, and South America**.

Within these pages, you'll discover journeys designed to inspire your next great escape. And now is the perfect time to begin planning for 2027—while you can still enjoy the best selection of dates, itineraries, and staterooms.

Alongside our guest-favorite sailings, we're delighted to introduce exciting new offerings, including four new ships. In Portugal, the **S.S. São Rafael** will debut on the Douro. In Central Europe, the **S.S. Marlene** and **S.S. Audrey** will join our recently launched **S.S. Emilie** and sail new itineraries—from a Scenic Rhine journey connecting Paris and the Swiss Alps to an exploration of Germany's Hidden Gems, featuring luxury stays in Paris and Prague. We've also privately chartered two exclusive sailings of the **Aqua Blu**, an intimate 30-passenger expedition yacht in Indonesia.

Enhancements to existing journeys include an updated **Castles along the Rhine** itinerary with a stay in Amsterdam, as well as a special **European Gems** sailing from Amsterdam to Vienna. For those seeking a more in-depth experience, **Grand Highlights of the Danube** seamlessly combines two beloved itineraries into one extraordinary journey.

Wherever you plan to explore next, do it in the extraordinary style of Uniworld. After all, ***you deserve the best.***

Ever since we first set out to take travelers on one-of-a-kind trips in 1976, Uniworld has been all about the guest-driven approach. We listen, we research, and we innovate—not only to discover what our guests are telling us they want and need, but to also anticipate what they are missing out on. That’s how you get to the heart of what a great vacation really is.

As the first American company to cruise the rivers of Europe, we’ve had the time to learn along the way and reinvent the format entirely. Uniworld lengthened cruise itineraries to one, two, even three week stretches, and introduced all-inclusive pricing. We handpicked destinations our guests would be looking for, then snuck in a few hidden gems we just knew they’d come to love. Perhaps most importantly, our ships offered the boutique hotel experience early river cruisers desired: designs with character, hotel-style beds, and delicious onboard dining. And by making their favorite boutique hotels float, now our guests could travel in all-inclusive luxury to multiple destinations, without having to unpack between each stop.

But we didn’t stop there. Every year, we pay close attention to the world of travel and the feedback of our guests to create better and better travel experiences. When we joined The Travel Corporation’s collection of award-winning travel brands in 2004, our mission became elevating river cruising to new heights. We launched the **Super Ship™** fleet, began cruising in more extraordinary destinations, and introduced innovative new concepts such as **Cruise & Rail** journeys, **Nights Out**, and **MAKE TRAVEL MATTER® Experiences**. Year after year, we set new standards and expectations for what luxury river cruising could be and are looking forward to continuing these pursuits for the next 50 years.

“The service was superb! All of the staff were always smiling, very courteous and made us feel very special. We actually felt like royalty in how they treated us. Thank you for making our trip so enjoyable!”

– Gwynne, ENCHANTING DANUBE

WELCOME TO LUXURY RIVER CRUISING

This is cruising at its absolute best

Sailing by river means enjoying all the conveniences of a traditional cruise, along with all the benefits of land travel. Stopping in multiple destinations on every trip, you'll visit bustling cities and hidden gem villages, unpacking only once. River cruising is the best way to cruise, and the best and most luxurious river cruises are with Uniworld.

S.S. Beatrice sailing

ONE-OF-A-KIND BOUTIQUE SHIPS

One of the highlights of your river cruise will be the ship you sail on. Each of our one-of-a-kind ships is like a Floating Boutique Hotel; designed to immerse you in the destination with luxurious amenities, beautiful public spaces, and elegant dining venues.

ALL-INCLUSIVE AMENITIES

Everything you could ever need is included with Uniworld. From your meals to premium drinks, plus your daily shore excursions. We've even included the onboard gratuities. All you have to do is sit back, relax and enjoy the Uniworld experience.

INTIMATE & RELAXING EXPERIENCE

Compared to ocean cruising, a river cruise ship is smaller and offers guests a far more intimate experience. With just an average of 120 guests onboard, you can get to know your fellow travelers and receive better access to the incredible staff onboard.

UNMATCHED CONVENIENCE

River cruising allows you to travel directly through the heart of countries, giving you access to some of the world's greatest cities right outside your window. You'll travel to multiple destinations with ease, only unpacking once.

IMMERSIVE TRAVEL EXPERIENCES

We've selected culturally immersive experiences on every journey. These range from a private after-hours visit to St. Mark's Basilica to receiving a breathtaking water blessing from a Cambodian monk.

CONNECT & STAY CONNECTED

Unencumbered by large crowds, you'll effortlessly meet people who share your passion for travel and exploration, and stay connected with loved ones back home with complimentary shipwide Wi-Fi.

ONE-OF-A-KIND SHIPS

inspired by their destinations

The ships in our fleet are passion projects, through and through. Every unique design scheme is assembled to be a masterpiece in and of itself. To step onboard a Uniworld ship is to step into a world where your destinations come to life through every carefully considered detail. We don't believe in filling the rivers with a large fleet of identical ships. We believe in quality over quantity.

OUR DESIGN ETHOS

Each ship has a distinctive theme, with its own color palette, custom-made fabrics, personally selected artwork, sumptuous furnishings and antiques. Every element, down to the smallest detail, has been thoughtfully considered and flawlessly rendered.

OUR SUPER SHIP FLEET

The vessels in our **Super Ship** fleet completely transform the standards of river cruising. These vessels add a layer of luxury through multiple dining venues, more suites, and

Tiny Noticeable Touches™ throughout.

THE FINEST AMENITIES

Our lavishly appointed staterooms feature handcrafted Savoir® Beds of England, custom cotton sateen sheets and European duvets, a menu of pillow options, and Asprey bath and body products.

THE SUITE LIFE

When you stay in one of our spacious suites, you'll enjoy outstanding butler service, large all-marble bathrooms with a double vanity, Asprey bath and body products, a fully-stocked bar, fresh cookies and fruit delivered daily, and more.

Afterwards, relax at the **Serenity River Spa™** with a soothing facial or massage treatment, or take a dip in the heated pool (available on select ships).

We treat cooking as an art form

Our culinary philosophy is ever-evolving, designed to appeal to the discerning palates of international travelers, with a variety of traditional dishes, inspired contemporary flavors, delicious healthy dining options, and comfort cooking. Chef Robert van Rijsbergen, Director of Culinary Operations

A CUT ABOVE THE REST

For those interested in healthier dining options, our *Traveling Lite* menu features all the flavor of our traditional menu, but with fewer calories. We also offer a variety of vegetarian, vegan, and gluten-free options, prepared just for you. If you have a specific meal preference or desire, just ask.

ENDLESS POURS

With every meal, enjoy a choice of featured fine local wines, selected by our onboard sommelier, grown and bottled directly from the regions you visit. Not restricted to a dining room or even the bar, you can ask our bartenders to bring you all the premium wine, beers, spirits, and signature cocktails you desire.

Guests who book a Royal Suite can book the adjoining Suite next door to create a spacious 2-bedroom suite connected by a separate living room.

Note: Stateroom 202 is 16 ft² smaller than the other Signature French Balcony staterooms.

S.S. BEATRICE

This jewel of a ship graces the waters of the Danube River, boasting splashes of nautical hues, a stunning lobby featuring elegant mirrors, marble floors, a white Murano chandelier and a grand staircase made of nickel and iron. The design inspirations include 14th-century Chinese porcelain and Dutch Delftware. *S.S. Beatrice* creates enhanced dining and culinary experiences by offering four unique venues, all inspired by famous Austrian composers.

Note: All suites on the Rhine Deck have French balconies. Designed adjoining staterooms are available.

S.S. MARIA THERESA

This splendidly elegant ship cruises along the Danube River boasting ultra-luxurious accommodations fit for Empress Maria Theresa herself. As a tribute to the only female ruler in the House of Habsburg, a 10-foot tall, specially commissioned portrait of her namesake hangs in the two-story foyer. Travel like royalty surrounded by opulent silk-clad walls, a Murano glass chandelier in the lobby, eye-catching patterns in every room, hand-painted coronets, and an ornate mosaic-tiled enclosed swimming pool.
