READY, STEADY.... GO
Don’t forget to Register

Every travel moment counts and to ensure that your trip runs effortlessly, as well as making sure we can contact you in the unlikely event of an emergency, we require all our guests to register before they travel. This is easily done online, in Manage My Booking.

Registering takes only a few minutes and then you’ll be set for a trip of unforgettable moments. Here’s what you’ll need to enter:

1. Your contact details, such as email address and mobile number you will be travelling with
2. Someone at home we can contact in case of an emergency
3. Your passport and insurance details

Visit Costsavertour.com/registration to complete your registration and start personalising your holiday.

ONCE ACTIVATED, YOU’RE READY TO TRAVEL!

☑️ All guests will need to register on Manage My Booking to receive their trip documentation.

☑️ Once registered, you’ll receive an email approximately 21 days prior to your departure with a link to download your electronic documents. We’re committed to long-term sustainability, so by choosing this paperless option, you’re supporting our efforts to reforest 100 acres of land across Tanzania and Northern California.

☑️ Printed documents will be available on a request basis should this be more convenient for you.

PASSPORTS AND VISAS

Each guest is responsible for ensuring their passport is valid for at least 6 months beyond the conclusion of their trip and all necessary visas and permits have been acquired. Contact your Travel Agent, airline or relevant government authorities to obtain the necessary travel information.
