We appreciate just how spectacular this planet is every day, and take great pride in creating experiences of a lifetime across the globe. Exploring the world and gaining a deeper understanding of each destination helps forge lasting connections to history, culture and natural elements that makes each special. As such, we are an active partner and supporter of the not-for-profit TreadRight Foundation’s sustainability work and projects. Created as a joint initiative between The Travel Corporation’s (TTC) family of brands, The TreadRight Foundation is an organisation that works to help ensure the environment and communities we visit remain vibrant for generations to come. To date, TreadRight has supported some 50-plus sustainable projects worldwide.

The TreadRight Heritage Initiative looks to further the TreadRight Foundation’s commitment to the people and the places that we visit providing grants for local artisan enterprises – including Centro de Textiles Tradicionale del Cusco in Peru – to help create jobs, champion economic development and build connections to the global marketplace.

VISIT THE SNAKE GARDEN WILDLIFE CENTER, SARAPIQUI

We strive to leverage tourism as a true ‘force for good’, making an impact globally, locally and individually. Sarapiqui in Costa Rica is a lesser visited area for tourists and we are supporting the efforts in this area to preserve the region while developing worthwhile and meaningful highlights.

We are, and always will be, a family owned and operated company. This photo (right) of The Travel Corporation (TTC) Chairman, Stanley Tollman, and his brother, my father Arnold Tollman, was taken in London’s Trafalgar Square in the 1950s. Two young brothers looking forward to a future in travel. And today, I’m reminded of how very far they have come.

72 years since the launch of Trafalgar, Brett Tollman, CEO of TTC, and I came to Trafalgar Square to reflect on that very special and significant moment in time shared between our fathers.

As a company, Trafalgar is the cornerstone, and we form part of a family of brands. Our sister companies in The Travel Corporation – their logos below – from whom we share knowledge, stories and experience. Intricately bonded and connected by our love for travel.

And finally, I think about our broader Trafalgar family – and particularly the ten years of ‘Be My Guest’ experiences we’ve shared. These experiences that enable you, our guests, to connect with new people and places; dining in local family homes, learning to cook regional meals, and sharing a glass or two with generations of winemakers at their vineyards.

For me, this is what family is all about: connection.

So, on these trips across South and Central America, Mexico and Antarctica, I invite you to a sumptuous dinner in the fashionable district of Palermo Viejo in Buenos Aires and to enjoy the vibrancy and hospitality of Argentina.

I invite you to travel with your family, to meet my family, and to connect with families across the globe.

AIRPORT TRANSFERS

With Trafalgar you will receive complimentary airport Meet and Greet Service as well as arrival and departure transfers on all holidays by private transportation with the services of an English-speaking guide, between designated airports and hotels on the starting and ending day of your holiday.

We regret that we are unable to provide complimentary transfers for anyone arriving before the scheduled starting day of the holiday and/or leaving after the scheduled ending day of the holiday. You may, however, purchase these transfers from Trafalgar provided that you also purchase your extra night(s) from Trafalgar.

If you did not purchase your flights from Trafalgar, you will need to provide your arrival and departure flight information to Trafalgar at the time of booking. It is your responsibility to update Trafalgar with any changes to your flight schedule to ensure that you receive your arrival and departure transfers. Failure to do so may result in missing these services and no refund shall be due for missed arrival and departure transfers or other related services resulting from missing or outdated flight information.

GOLD SEAL ADDITIONAL PROTECTION

**TRA Falgar’s Gold Seal Additional Protection Plan Costs Only A$99 Per Person (Payable With Your Deposit Only) And Includes:**

**ON YOUR HOLIDAY**

Should you, or your travel companion, leave at anytime during the trip for personal sickness reasons or be required to return to Australia due to injury, illness or death, you and your companion will be refunded up to A$90 per person per day for the unused portion of the holiday (note that in some cases hotels require a one night cancellation fee). A doctor’s certificate is required.

**Return Flight Security**

If you or a member of your direct family in Australia should fall sick* while you are on your Trafalgar guided holiday, we will take care of the additional cost of tickets for your earlier or later return home in the same class of air travel on the first available flight, provided you hold round-trip tickets on Trafalgar’s recommended airline(s) booked through Trafalgar from Australia.

**Pre-Paid Cancellation Option**

Your deposit and/or payment to Trafalgar will be refunded in full or you will have the option to carry it over to another Trafalgar or TTC holiday should you cancel your holiday for any reason prior to 30 days from departure date from Australia. This cancellation option covers land arrangements made by Trafalgar only.

If the Australian Government DFAT advice for the destination changes to “Reconsider the need to travel” or “Do not travel” you may have your deposit and/or payment refunded at any time prior to tour commencement or you will have the option to carry it over to another Trafalgar or TTC holiday.

Prior to departure from Australia your airfares are not covered by Gold Seal. We recommend you take out Covermore Travel Insurance specifically covering the value of your airfares should you cancel your holiday (Please review Covermore terms and conditions around cancellation cover). We are happy to help you with arranging that travel insurance. Any rebooking costs of airfares prior to departure are not covered by Gold Seal.

Cancellation option fee is not refundable for any reason.

* Medical certificates as proof of all illness claims must be supplied.
