Here’s just five of over 10,000 reasons why our guests keep coming back for more:

“DANNY, OUR TOUR GUIDE WAS AMAZING!!

His knowledge of Peru was outstanding and it was like taking a tour with a good friend. He was extremely patient, well organised, and on top of everything. The itinerary was well thought out and maximised the most of our time in Peru. I’ve done a fair amount of travelling, but this was the first time I did a tour. I have no regrets and I would definitely book with Costasaver again! I loved how everything was taken care of for us. From the transportation to and from the airport, to baggage collection between flights from one location to the next, to any tickets we needed, Danny, our tour guide, took care of everything. It allowed me to thoroughly enjoy the entire trip and not have to worry about any of the planning behind the scenes.

PERU EXPLORER
Brandon O. from USA

“AMAZING TRIP WITH BREATHTAKING NATURE

experiences, delicious food, & fantastic hotel choices. We had the time of our lives and would go back in a heartbeat. I’ve been recommending to all of our friends. Great memories made while zip lining, horseback riding, hiking in the rain, touring El Trapiche and relaxing in hot springs. Loved it!

COSTA RICA ADVENTURE
Megan F. from USA

“OUR TOUR DIRECTOR ROBINA WAS EXCELLENT.

Nothing was too much for her, she was amazingly attentive to all the passengers on the bus. Very bubbly personality, always smiling and it is clear she absolutely loves her country and her job. Al the bus driver again I could not fault him, he often shuttled us around to and from town. The bus was immaculate and I remember looking outside my hotel window late one afternoon to see him washing the bus after a very long days drive. From start to finish the tour, including the amazing cruise, was wonderful. I especially liked how we stayed 2 days in each area. Plenty of time to explore or do optional extras. There were lots of eating options and our tour Director always had good ideas on where to eat and very reasonably priced. Much better than a previous tour I went on where meals were included.

WONDERS OF THE CANADIAN ROCKIES WITH ALASKA CRUISE
Joanna W. from Australia

“BOTH THE TOUR DIRECTOR DREW AND DRIVER JULIO WERE EXCELLENT, always looking out for the people on tour. I would definitely recommend it and will look to travel with them again.

SPECTACULAR CANYONS AND NATIONAL PARKS
Saul from USA

“THE TOUR GUIDE AND BUS DRIVER WERE GREAT. Saw many things and loved the trip. It’s the people that make the trip and was with a great group.

important notices
Passports, Visas and other Exit/Entry Requirements All guests including children must be in possession of a machine-readable passport valid for 6 months after their trip return date along with applicable visas. Please refer to “Passport and Visas” section. Due to government imposed security/immigration measures, passport and emergency contact information is required for all guests prior to the release of travel documents. It is the guest’s sole responsibility to secure and/or pay for any and all visas, reciprocity fees, affidavits, immunisations, etc. that are required to be permitted entry into each destination. You should also contact your doctor or a specialist vaccination centre for details of any measures you may need to take prior to departure. In some countries you may be subject to entry (reciprocity) fees and/or departure taxes/exit fees which will be collected at the airports upon entry/exit by local government authorities. For up-to-date detailed information on travel documents and visas, entry/exit taxes and further information on entry and exit requirements please check with your Travel Agent or local consular services. Obtaining and carrying these documents is your sole responsibility. Trafalgar bears no responsibility for such information and will not be responsible for advising and/or obtaining required travel documentation for any guest, or for any delays, damages, and/or losses including missed portions of your holiday related to improper documentation or government decisions about entry. Please note that entry to any country may be refused even if the required information and travel documents are complete. Trafalgar will also not be liable in circumstances where entry is refused to another country for any reason. We do not accept any responsibility and will not make any refunds if you cannot travel because you have not complied with any passport, visa or immigration requirements or if you have lost or mislaid any necessary documents (including travel documentation). ☑️ Documentation will then be available approximately 21 days prior to departure on your MyCostsaver.

Pre-Paid Cancellation Option NZ$129pp

By paying the NZ$129 per person Cancellation Option, your deposit and/or payment to Costsaver will be refunded in full or you will have the option to carry it over to another Costsaver or TTC holiday should you cancel your holiday for any reason prior to 30 days from departure date from New Zealand. This cancellation option covers land arrangements made by Costsaver only. It is not applicable to airline deals. The Cancellation Option fee is not refundable for any reason.

If the New Zealand Government MFAT advice for the destination changes to either “High Risk - avoid all tourist and other non-essential travel”, or “Extreme Risk – we advise against all travel”, you may have your deposit and/or payment refunded at any time or you will have the option to carry it over to another TTC holiday.

On Your Holiday

Should you, or your travel companion, leave at any time during the trip for personal sickness reasons or be required to return to New Zealand due to injury, illness or death, you and your companion will be refunded up to NZ$90 per person per day for the unused portion of the holiday (note that in some cases hotels require a one night cancellation fee). A doctor’s certificate is required.

Return Flight Security

If you or a member of your direct family in New Zealand should fall sick* while you are on your Costsaver guided holiday, we will take care of the additional cost of tickets for your earlier or later return home in the same class of air travel on the first available flight, provided you hold round-trip tickets on Costsaver recommended airline(s) booked through Costsaver from New Zealand.

Cancellation option fee is not refundable for any reason

*Medical certificates as proof of all illness claims must be supplied

Please note that travel agent fees and cancellation fees may apply
