TRAVEL WITH REAL EASE
The freedom to discover and confidence to explore

Fresh local flavors to tantalise your taste buds alongside our passionate local friends like Libero, who bring each region you visit to life.
Trafalgar's attention to detail, and particularly our wonderful Travel Director, made this trip of a lifetime even better than any of us dreamed possible... It was low stress and so nice to just be able to follow along rather than have to plan and find places to eat, stay, shop, etc.

Our guest: L. Quaglio on European Traveller

We carefully craft each of our trips to leave you free to live in the moment and enjoy your holiday without a worry in the world.

In Europe, in the blink of an eye 'bonjour' changes to 'buongiorno' and driving on the right side of the road can suddenly be wrong. We ensure you traverse the quirks and intricacies of this diverse continent with complete ease. You can feel secure in the knowledge that we have seen to every detail, and that our expert Travel Directors are always on-hand to ensure your trip ows seamlessly, every single day.

All you have to do is turn up and enjoy the journey.

Travel Directors like Jonathan, are with you every step of the way.

Connect with local friends, like Oonagh in Ireland’s wild west coast.

Hand-selected, carefully vetted hotels and breakfast daily.

Taste your way around the delights of Europe.
Carefree travel

Where to stay, where to go, what to see, and how to get there? These are no longer your concerns, leave all the planning to us.

We use our destination expertise to choose the perfect accommodation in the right location, and the most knowledgeable Local Specialists to show you the sights, and arrange all your transportation needs (be it by land, sea or air) to ensure that your holiday flows effortlessly from one ‘pinch me’ moment to the next.

Local cuisine

Europe is a melting pot of different regional flavours in every place, just waiting to be sampled, sipped and savoured.

Your culinary adventure starts with breakfast included every morning, so you can start your day off right. The rest of the day could see you dining on home-made regional specialities in the homes of our Be My Guest hosts, or dining out in a local restaurant during one of the many included meals sprinkled throughout our itineraries.

But, we know that each palate is different, so we leave you free time to explore the local culinary scene with insider tips from your Travel Director on where to find the best restaurants in town.
Your on-the-ground team

Meals, logistics, service and care, the red thread that seamlessly weaves these elements together is our world-class team of Travel Directors, Drivers and our behind the scenes team.

Our Travel Directors are the moment-makers, the facilitators, the narrators of your travel story, there to bring your travel dreams to life the way you want. They are the best in the business and they love what they do. For them, travel isn’t their job, it’s their passion, and they can’t wait to share their Europe with you. Our Drivers ensure a smooth ride, there to lend a hand with your luggage and a friendly smile to welcome you aboard.

Behind the scenes you’ll benefit from our team of experts, creating each day and experience to create our 118 itineraries to bring each place to life like only we can.

MAKING A DIFFERENCE IS EASIER THAN YOU THINK

Sometimes, it’s the little things you do that have the biggest impact. We are on a mission to simplify sustainable travel, making it an integral part of every trip in a multitude of ways. From choosing our paperless e-documents program, to Make A Difference experiences that let you give back to local communities during your holiday, by travelling with Trafalgar you are helping to Make Travel Matter.

ONLY THROUGH REAL CONNECTIONS can we unlock the magic of travel

Meeting, learning and discovering the true heart of a destination through locals, is a core part of the Trafalgar experience in every place you’ll visit.
Travel is about connecting people with the real essence of the places we visit. We know that the soul of a destination lies in the hearts of the people who call it home.

Gavin Tollman
Trafalgar CEO

Connect With Locals

On their farms, in their homes, with their families, you'll Connect With Locals in a way most travellers never will.

Back in 2009, we realised that the best way to bring each destination we visit to life is to connect with the locals where they feel most comfortable, in their own homes, using the universal language of food. Thus, our Be My Guest experiences were born.

As you walk in their footsteps, learn about their traditions, hear their stories and get a glimpse of their daily life, you’ll begin to see the world through our host’s eyes and gain an understanding and appreciation of each destination, deeper than you ever thought possible.

Making A Difference

Your visit provides valuable economic support for our passionate hosts, enabling them to preserve their local traditions, operate their small-scale businesses off the beaten tourist track and safeguard their cultural legacy for generations to come.

Our Be My Guest experience with the Landi family

Perched at the top of a hill overlooking the Tuscan countryside sits Villa il Leccio. For nine generations, it has been handed down in the Landi family – from father to son, mother to daughter – eventually becoming the home of the vivacious Giada Landi, our friend and your welcoming host. During this memorable Be My Guest experience, you will see how their home has been transformed into a thriving olive orchard and vineyard, while exploring the beautiful property and sampling the exquisite wine and olive oil they produce. Giada will prepare a delicious home cooked meal using fresh produce from her garden before taking a seat at the table to tell you more about the villa and her life as protagonist in this, the latest chapter of the Landi family legacy.

This is just one of our 100+ one of a kind Be My Guest experiences. Learn more at: trafalgar.com/bemyguest

Stays With Stories

So much more than just a place to rest your head.

Our Stays With Stories let you become a part of the narrative. Each accommodation is an attraction in its own right – a part of the local landscape both literally and figuratively – boasting idyllic locations, inspiring architecture and intriguing stories.

To see which Stays With Stories are included in your holiday, look for these icons on the trip itinerary pages.

Making a Difference

Each Stays With Stories is an important part of the local community. And by patronising these boutique hotels and family-run properties, you are helping to protect and preserve these cultural landmarks and ensure that these locally-run accommodations, often outside of major tourist destinations, receive their share of the income generated by tourism in their region.
Each place we stayed got better and better. The castles and manors were more than I could imagine. The Rock of Cashel and the Cliffs of Moher are amazing no matter how many times you see them.

"It's our responsibility to help ensure future generations can also enjoy the gift of travel."

Gavin Tollman
Trafalgar CEO

Travel Today, Sustain Tomorrow

Travel is one of life's greatest gifts. We know we can’t change the world, but today, it’s imperative that we do our part to ensure that our impact is a positive one. Simply put, making travel matter. This goal is at the heart of everything we do.

Over a decade ago, we created JoinTrafalgar, fuelled by our parent company’s not-for-profit TreadRight Foundation, to use the positive power of travel to make a difference in the places we visit. From planting a tree in the name of each guest that books using e-documentation, to supporting numerous projects that work to preserve the natural and cultural heritage in the destinations we visit, we are doing what we can to make travel a force for good.

But JoinTrafalgar is about more than just sustainability, it’s about sharing the joy that travel can bring. The joy you feel making a difference in the places you visit. And, the joy your visit brings to local communities by ensuring the benefits of tourism reach the people that need them most, while protecting places, wildlife and the planet we all share.

Sustainability isn’t a destination, it’s a journey. We invite you to join us.

MAKE A DIFFERENCE
As part of our JoinTrafalgar programme, we have included 80+ Make A Difference experiences that allow you to directly impact the places and people you visit during your trip in Europe and Britain. Look out for the on our trip pages.

Trafalgar, as part of The Travel Corporation, is proudly using 100% recycled LEIPA paper for the body stock of our brochures. LEIPA papers are certified according to the leading environmental standards. By using 100% recycled paper, TTC actively contributes to the conservation of resources and the environment.
2020 marks a century of The Travel Corporation (TTC), of which Trafalgar is the flagship brand. Our commitment to you, our guests, remains our goal. 100 years on we're still 100% family-owned and operated, and living by our founder's promise, to always be ‘Driven by Service’.

Since our humble beginning in 1920, as a single hotel in a small South African shing village, four generations of my family have stayed true the promise to be 'Driven by Service' which was my grandfather Solomon Tollman’s, vision. His son Stanley, travel pioneer, industry disruptor and today serving as our Chairman, proudly took this promise and created what we know as modern day TTC. Alongside my father Arnold; Stanley and his wife Bea grew and expanded the company across all seven continents, to what it is today.

'Driven by Service' remains all 42 of our brands singular guiding light, and I’m proud to lead Trafalgar as CEO, alongside Stanley’s son Brett as TTC’s CEO, and many other members of our family, all passionate explorers and just as proud to continue the legacy.

TTC’s dedication is fuelled by a deep-seated passion for opening eyes, minds and hearts through travel, and an unwavering commitment to protecting the people, places and wildlife and the planet, always. Most importantly, we strive to always provide inspiring experiences and excellent service through every brand, every time.

As we reach this milestone, from my family to yours, join us in celebrating 100 years past, and 100 years of the future.

PRE-PAID CANCELLATION OPTION NZ$129PP

By paying the NZ$129 per person Cancellation Option, your deposit and/or payment to Trafalgar will be refunded in full or you will have the option to carry it over to another Trafalgar or TTC holiday should you cancel your holiday for any reason prior to 30 days from departure date from New Zealand. This cancellation option covers land arrangements made by Trafalgar only. It is not applicable to airline deals. The Cancellation Option fee is not refundable for any reason.

If the New Zealand Government MFAT advice for the destination changes to either “High Risk - avoid all tourist and other non-essential travel”, or “Extreme Risk – we advise against all travel”, you may have your deposit and/or payment refunded at any time or you will have the option to carry it over to another TTC holiday.

ON YOUR HOLIDAY

Should you, or your travel companion, leave at any time during the trip for personal sickness reasons or be required to return to New Zealand due to injury, illness or death, you and your companion will be refunded up to NZ$90 per person per day for the unused portion of the holiday (note that in some cases hotels require a one night cancellation fee). A doctor’s certificate is required.

RETURN FLIGHT SECURITY

If you or a member of your direct family in New Zealand should fall sick* while you are on your Trafalgar guided holiday, we will take care of the additional cost of tickets for your earlier or later return home in the same class of air travel on the first available flight, provided you hold round-trip tickets on Trafalgar recommended airline(s) booked through Trafalgar from New Zealand.

Cancellation option fee is not refundable for any reason.

*Medical certificates as proof of all illness claims must be supplied

Please note that travel agent fees and cancellation fees may apply.

MYTRAFAKGAR
ENHANCE YOUR TRAVEL EXPERIENCE

We know that no two travellers are the same, so we want to get to know you even before your plane arrives and learn how we can make your holiday dreams come true. MyTrafalgar is an easy to use, interactive travel portal where you can register for your trip, download your travel documents, input your on-trip preferences and have a ready reference of your daily trip inclusions and optional experiences.

REGISTERING ON MYTRAFAKGAR

Every travel moment counts. To ensure you have a total stress-free holiday and that we can contact you in the unlikely event of an emergency, we require all guests to register before they travel. You can easily complete this online in a few minutes by simply providing the following details:

1. Your contact details, including an email address and mobile number that you will be travelling with.
2. The name of someone at home whom we can contact in case of an emergency.
3. Your passport and insurance details.

Simply head to my.trafalgar.com and you’ll be all set for the trip of a lifetime and can start personalising your holiday.

E-DOCUMENTS
CHOOSE TO DOWNLOAD NOT TO PRINT

In 2014, we introduced the option to choose e-documentation when booking your trip. No more clunky trip wallets, all your information will be available right in your phone, perfect for quick reference when you’re on-the-go. All documents are downloadable so they are available even when you’re offline.

To thank you for choosing this paperless solution, we will plant a tree in your honour through our partner One Tree Planted. To date, we have reforested over 359 acres of devastated land in Northern California, Africa and Tanzania.

Once you register in the MyTrafalgar portal, your e-documents will be available approximately 21 days prior to your departure date.

PASSPORTS AND VISAS

Each guest is responsible for ensuring that their passport is valid for at least six months beyond the conclusion of their trip and that all necessary visas and permits have been acquired. Multiple-entry visas may be required if you are entering a country more than once on your holiday. Each guest must comply with entry, health and other requirements of the countries visited during your trip.

• Contact us, or your Travel Agent, airline or relevant government authorities to obtain the necessary travel information.

• The Operators and/or their employees and their agents are not responsible for passport, visa, entry, health and other requirements of the countries visited, or for any loss sustained by you for failing to comply with laws, regulations, orders and/or requirements of countries visited.
