LATIN AMERICA
INCLUDING SOUTH AMERICA, CENTRAL AMERICA, MEXICO AND ANTARCTICA
YOUR 2020 VACATION
See the ancient wonders, hear the hip-shaking rhythms, taste the exotic flavors, meet the friendly locals, and feel yourself come alive.

Until you've gazed down into the vastness at the steeped stone ruins of Machu Picchu; until you've felt the spray from Iguassu Falls cascading into the riverbed below; until you've seen the sun's golden rays reflected in the silvery shores of Antarctica, danced a samba in Rio, sipped the local brew in Colombia's Coffee Triangle, or eaten asado in Buenos Aires; until we take you to experience the genuine essence of Latin America, you won't truly understand its powerful allure.

Since 1947, we have been crafting exclusive vacations using our destination expertise and feedback from over 5 million travelers just like you. Using our local knowledge, we reveal a region where the beauty of its mysterious landscapes is matched by the heartwarming hospitality of its people. Where the sheer magnitude of its iconic landmarks feels dwarfed by the contagious energy of its diverse cultures.

We'll take you on a journey that shows you the real Latin America most other travelers will never experience.

Real Connections. Real Ease. Real Joy.
Let us show you the real Latin America as only we can.

Hidden Gems

THE SECRETS YOU’LL UNLOCK

With an immense passion for travel and an unparalleled level of training and destination expertise, our Travel Directors hold the key to unlocking all the hidden gems waiting to be discovered off the tourist trail. We can’t tell you exactly what they are, that would ruin the moment. But here’s a little sneak peek from one of our Travel Directors to give you just a taste of what they know.

RODRIGO WINTERSTEIN
SOUTH AMERICA TRAVEL DIRECTOR

“Give yourself a once in a lifetime gift; snowscapes, fiords, glaciers and lakes are waiting for you. Hike the trails, contemplate pristine landscapes and discover how beautiful silence sounds. Feel the wind in your face and hear it whispering in your ears. I look forward to welcoming you to Patagonia!”
MAKING TRAVEL MATTER

Travel has the ability to open our eyes to the unique cultures and spellbinding beauty of the world. As leaders in travel, we recognize that we have the responsibility to do what we can to ensure that future generations too can enjoy the gift of travel. With this in mind, in 2008, our parent company The Travel Corporation created the not-for-profit TreadRight foundation with the simple philosophy to enrich, protect and preserve the destinations we visit. Simply put, making travel matter. A year later, fueled by this philosophy, we created JoinTrafalgar. And whether supporting charitable organizations or making a difference on our trips across all seven continents, our combined efforts are based around 3 guiding principals:

1. HELPING PEOPLE
We support artisans, farmers, families & invest in micro enterprises.

ME TO WE VOLUNTEER EXPERIENCE, ECUADOR
Extend your Trafalgar trip with the perfect Amazon experience. Participate in a sustainable international development project run by our partner ME to WE, connect with community members by learning their way of life and explore nature as you trek the Amazonian rainforest.

2. PRESERVING PLACES & WILDLIFE
We protect & maintain the diversity of wildlife, cultures and traditions.

PROSIERRA NEVADA SANTA MARTA FOUNDATION
In addition to our exclusive JoinTrafalgar experience with Dr. Santiago Giraldo, one of Colombia’s leading anthropologists and Executive Director of the ProSierra Nevada Santa Marta Foundation, TreadRight has awarded a grant to support the not-for-profit’s mission to preserve this precious region through various conservation efforts and community development projects.

3. CARING FOR THE PLANET
We reduce our footprint & protect the environment.

ONE TREE PLANTED
For every booking made with our e-documentation, we plant a tree with our partner One Tree Planted. We’ve already reforested 150 acres in Northern California and Tanzania.

NO SINGLE-USE PLASTICS
We’re setting our sights on a single-use plastic free future by 2022. In 2019, we are eliminating plastic water bottles from our coaches in Europe and North America. This latest initiative will eliminate an estimated 50 tons of plastic waste over the next 5 years.

FOUR GENERATIONS ONE MISSION

A FAMILY ‘DRIVEN BY SERVICE’ TO ENABLE YOU TO EXPLORE THE WORLD WITH EASE.

Since its beginning as a single hotel in a small South African fishing village which opened its doors in 1920, now a fourth generation family-run company, The Travel Corporation (TTC) has stayed true to its commitment to service excellence for 100 years. This ethos is at the core of all 30 brands that make up the TTC family.

**YOUR VACATION**

**DAY 1**

**ARRIVE BOGOTA [3 NIGHTS]** Your journey through Colombia begins in its colorful capital, Bogota – a delightfully vibrant city whose youthful energy connects seamlessly with the traditions of its colonial past. Relax after your flight, then meet your Travel Director and fellow travelers for a Welcome Reception this evening. (WR) Hotel: B.O.G.

**BOGOTA SIGHTSEEING** Don’t resist the urge to sink your teeth into a juicy slice of fruit when you visit the Paloquepao Market this morning with a Local Specialist® Chef. Enthusiastic vendors will vie for your attention as you admire their stalls laden with locally grown produce, which you’ll have an opportunity to taste before leaving the noise behind for the elegance of the Old City. Embark on a guided walking tour of La Candelaria, with its elegant colonial façades dating back to the 16th century. You’ll discover the pivotal role of gold in attracting the Spanish conquistadors to the area when you visit the Museum of Gold restaurant for a rustic meal incorporating some of the ingredients that were purchased during this morning’s market visit. This afternoon, your choice of included sightseeing with a Local Specialist® could see you take a guided visit to an emerald workshop off the tourist track to see how Colombia’s most precious stones are cut and polished into beautiful creations. Or you may choose to visit the Botero Museum, housing one of Latin America’s most important art collections. Your third alternative is a guided visit to Montserrat, ascending over 10,000 feet above sea level via funicular to see the sprawling city below. You’ll have the rest of the afternoon at leisure to explore on your own before joining your travel companions for a ‘Dive into Culture’ for a Regional Dinner at a favorite haunt of the Bogotá locals.

**SALT CATHEDRAL OF ZIPAGUARÁ** Join your Local Specialist® for an awakening encounter in the tunnels of a former underground salt mine. Nearly 200 meters underground, in the small town of Zipaguará, Colombia, there is a special experience waiting for you: a stunning cathedral unlike any other you have ever seen, as it is built inside the depths of a salt mine. The spectacular cathedral is illuminated by hundreds of multicolored lights; the walls and pillars of salt shimmer and sparkle as the lights illuminate this underground church. The rest of the day is free.

**BOGOTA SIGHTSEEING - COFFEE TRIANGLE [2 NIGHTS]** The rich aroma of Arabica beckons as we board our flight from Bogotá to Colombia’s famed Coffee Triangle, designated Coffee Cultural Landscape of Colombia by UNESCO. Enjoy a scenic jeep drive into the lush countryside to a coffee plantation, joining the owner’s family for lunch. Colombia has shared its tawny treasure with the world since the early 19th century and you’ll have an opportunity to savor its complex flavors first hand when you join Juan Pablo Echeverry at his hacienda and historic farm for a memorable Colombian “coffee baptism” experience against the backdrop of the area’s vast coffee fields. Later, enjoy a relaxing evening on your own with dinner at your hotel. Casa San Carlos Lodge, your ‘Stay with Story,’ has been primarily built with bamboo, providing views across well kept gardens and open farmland, in the heart of the coffee region.

**FILANDIA, SALENTO AND COCORA VALLEY** Head back into the countryside this morning, bound for the lush Coca Valley, home to the world’s tallest palm trees. During a Jeepo Show, you’ll encounter the curious local tradition dedicated to the Coffee Triangle’s beloved Willys Jeeps or multitas mecánicas (mechanical mules). ‘Dive into Culture’ meeting inhabitants of these small and rural coffee communities. Witness how Colombia’s own ‘cowboys’ overload their vehicles with anything that isn’t bolted down. Leave these tetering towers behind for a delicious lunch of smoked trout at a local trout farm. Colombia’s love affair with coffee continues later during a visit to Café Jesús, where you’ll learn how to create delicate images in the generous foam of a latté. Work off your caffeine buzz during an optional walk beneath the canopy of lofty wax palms before returning to your hotel for dinner and the traditional Colombian game of tejos. (B, L, D, SF)
