Africa, Where it All Began 100 Years Ago

Our love of travel began in 1920 with a singular hotel in a small fishing village in the Cape. In that hotel, Solomon Tollman created a philosophy of always being 'Driven by Service'. This stands as true today as it was back then and is the guiding light for our parent company, The Travel Corporation (TTC) as well as Trafalgar.

Traveling with us to Africa means as part of this promise we introduce you to the friends, families and locals we personally know, connect you to the remarkable wildlife and give you access to the can't-miss places you couldn't get on your own.
"I love the bush, seeing nature in the way it is intended to be; its perfect balance will move you in a way that changes your perspective forever."

Gavin Tollman
Trafalgar CEO

Trafalgar is the anchor brand of TTC. Started in 1947, we’re committed to continuing the legacy of this philosophy. All TTC brands live by this same virtue. TTC’s Chairman, Stanley Tollman and his wife Bea founder of Red Carnation, inspire all of TTC to deliver exceptional service. When you travel with us in South Africa, you’ll stay at Red Carnation Hotels The Oyster Box (featured on page 12), awarded as the best hotel in South Africa. You’ll discover first hand how the pursuit of excellence translated into this hotel being lovingly restored and why these awards are won, at this and all Red Carnation Hotels as well as every brand within TTC.

Here are just 6 of the 42 TTC sister brands which are opening guests hearts and minds through travel.

Why You’ll Love Exploring Africa With Us

From vast plains of the Serengeti to the Western Cape’s cosmopolitan coast, you’ll effortlessly connect to this great continent. Over 100 years of our heritage, knowledge, love and passion are crafted into every trip, so you’ll enjoy a life changing encounter with Africa without worrying about a single thing.

1 Your Vacation Will Be Shaped Around You

We know every guest has their own reasons that draws them to Africa. The wonders of nature, the fascination of local life or even family heritage. That’s where our expert team come in. They will make your travel personal and greet you at the airport, stay on-hand for your entire trip and expertly navigate the African terrain. Thanks to their expert knowledge, you’ll leave having experienced those moments you’d dreamed of, and fascinated by those you didn’t even know existed.

2 Getting Around Will Be a Breeze

Traverse every type of terrain completely hassle free, whether you’re exploring cities by coach, discovering the Serengeti in a safari vehicle or summiting to the top of Table Mountain by cable car, we’ve got all your transport needs covered.

3 You’ll Meet the Locals

The spirit of Africa is in its people. We’ll connect you to regional communities where you will break bread with locals in their homes through our exclusive Be My Guest feature experiences. From exploring Cape Town with a local or meeting a Kenyan tribe in their village, you’ll discover each place alongside those who know it best.

4 Your Stays Will Always Be Just Right

Comfort is so much more than a luxurious bed, and you’ll be at ease every night. Our family has been a part of Africa’s hospitality industry for over 100 years, and we know what you need to be well-rested for the sights and safaris that await. All your stays, such as the Ark Lodge which is tucked into the thick forests of Aberdare National Park and attracts a host of wildlife, have been hand selected so you get the very best out of all the places you go to.

5 The Experiences Will Amaze You

Africa is home to innumerable cultures and 11 official dialects, and we ensure that you’ll get up close to this rich diversity. With everything taken care of, you’ll have the freedom to meet the Maasai warriors who’ll show you the centuries-old jumping dance, come up close and personal to the Big 5 at the Kruger National Park, and even learn the etiquette of a famous African Braai (barbecue).
Why You’ll Love Exploring Africa With Us

1. Let your travel directors take care of it all.
2. Ride a cable car to the top of Table Mountain.
3. Experience a South African braai.
5. Meet the Maasai.

Experience the wonders of Africa with us.
The People
You'll Meet

The spirit and heartbeat of any place lies in its people. We'll introduce you to local families, artisans, farmers and cultural specialists to hear their stories, savor their cooking and gain a deeper understanding of life in Africa. Here are just a few friendly faces you can expect to encounter.

Local Tribes

*Ancient communities keeping traditions alive*

Step back in time during your visit to the Himba tribe. Known as the last semi-nomadic people of Namibia, they'll welcome you into their village to share traditions and customs that have stayed much the same over the centuries. You'll gain a greater understanding of why the women coat themselves from head to toe in ochre ‘otijze’ paste, how they judge their social status by livestock and what part their ancestral fire plays in daily life.

Travel Directors
Your go-to moment makers

There is nothing we enjoy more than when we hear a guest tell us that their Travel Director was the best. The truth is all of our Travel Directors and Driver Guides are incredible. They seek to understand your personal needs and wants, whether that’s knowing the history of the streets of Soweto, or how to spot wildlife in the Namib Desert. They go beyond the guidebook to give you an intimate and personal look into the places you visit and to bring to life uncountable individual magic moments each and every day, for guests just like you.

On every trip.
The Places You’ll Stay

Spend time imagining yourself on vacation instead of comparing hotels, reviewing location maps and reading consumer reviews.

Our 100 years of experience in the African hospitality industry means that we hand-select every stay to ensure you’ll always be in the right place from our boutique Stays With Stories hotels, that are part of the local fabric, to established, well known hotels such as the Marriott and Hilton.

Three of our Guests Favorites

The Oyster Box Hotel
South Africa

Be spoilt by a stay at The Oyster Box and become part of the Tollman family history when you enjoy this magnificent hotel on Umhlanga’s beachfront, overlooking the Indian Ocean. In 1951, Stanley Tollman made a promise to his future wife Bea that they would one day own the property. In 2006 he fulfilled that promise. Along with their daughter Toni they undertook extensive renovations to turn it into a national treasure. During your stay you’ll feel the love and passion woven into every detail, which gained it numerous awards and accolades including a rating as the number 1 hotel in South Africa for the TripAdvisor Travelers’ Choice Awards from 2017 to 2019.

On Best of South Africa – p.20
"All of the lodgings were comfortable, and the staff were so polite and accommodating at every place we stayed. Amazing trip."

Becks Safari Lodge
South Africa

Taste Award-Winning Wines at Bouchard Finlayson Winery.

As you sample famed Pinot Noirs and Chardonnays in the estate’s cellars, you’ll discover that this winery is an exceptional African experience.

See Wildlife as it was Intended.

The balance of nature and interaction between species is something that changes you forever. The Iconic Sights You’ll See

When traveling somewhere new everyone has specific places they want to discover. On every trip, we make it easy for you to see both the iconic as well as the unexpected, through the lens of the people who know them best. So all you’ll have to do is come along, enjoy and soak it in.

Table Mountain

You’ll ascend to the flat top of Table Mountain by aerial cableway and soak in the views as you stand more than 1,000m above the Atlantic ocean. You’ll walk among one of the most unique floral biospheres in the world and come face to face with iconic Dassies, a small mammal native to the area that is often found sunning itself on the rocks and ledges of the mountain. Your 360 degree viewpoint will extend in every direction to create a visually rich contrast of nature, sea and city, a sight that you’re sure to remember.

The Difference You’ll Make

In 2009 Trafalgar’s parent company, TTC, created TreadRight Foundation with a simple mission: to have a positive impact on the people and communities we visit, to protect wildlife and marine life and to care for the planet we call home. Simply put, to Make Travel Matter.

An Anatolian Shepherd among sheep after the TreadRight Foundation introduced the idea to protect the sheep from Cape Leopards — part of the Cape Leopard Trust.
Over a decade ago we created JoinTrafalgar supported by our parent company’s not-for-profit TreadRight Foundation.

Today, we partner with local communities, artisans, farmers and families in Africa and around the world to ensure the livelihood of future generations.

Here is just one of the first hand Make a Difference experiences you’ll connect to on your travels:

**THE AMY FOUNDATION**

Support the development and empowerment of underprivileged 5 to 35-year-olds

Did you know only 43% of African students who enter Grade 1 complete Grade 12? As one of the largest supporters of the Amy Foundation, we’re helping young adults in South Africa prepare for the world of work, employment and entrepreneurship. You’ll become part of that contribution as you learn how the foundation’s creatively driven program makes learning enjoyable and encourages academic success.

**LOOK FOR ON TRIP PAGES TO SEE MORE WAYS YOU’LL MAKE A DIFFERENCE.**

When you choose to travel Trafalgar, know that you’re supporting a diverse range of not-for-profit organizations.

Here are just a few of the 50 grass roots TreadRight projects around the world that are specific to our love of Africa.

- **The Cape Leopard Trust** protects the long-term survival of leopard populations through predator conservation.

- **The Leo Foundation** saves lions and large carnivores in West and Central Africa.

- **The Wilderness Wildlife Trust** advocates for existing wildlife populations, seeks solutions to save endangered species and provides education and training for local communities.

- **The Tollman Award for Visual Arts** supports African artists hampered by limited resources.

- **The Endangered Wildlife Trust** defends the native rhino population by funding the purchase of aircrafts for anti-poaching operations.

TRAFALGAR TIP

When visiting the falls, you’ll come across the Devil’s Cataract, so named for its role as a place where locals would cast their evil spirits and be cleansed. When missionaries arrived in the area, they saw these sacrificial ceremonies as ‘devilish’ and so the cataract inherited its rather infamous name. Moses Nyamasoka, Trafalgar Representative
