Welcome To A Deeper Journey Through Paradise

When you're ready, we're here.

Hawaii is so much more than a place to unwind. Discover the depth and richness that goes beyond its beauty by immersing yourself in the people, secrets and traditions that make it remarkable. More than ever, we’re proud of our ongoing support of locals, helping you to connect to the heart of each island through heart-warming and extraordinary experiences that give you access to island life beyond imagination. You’ll know it as you feel the deep cultural significance of a traditional luau celebration and when you’re meeting proud farmers at one of Hawaii’s first organic farms before an alfresco lunch. These are just two of many people and small businesses across all four islands that we’ve supported for many years, and some of our guests favorite experiences.

Traveling with us means you won’t simply enjoy Hawaii’s wonders – you’ll fall in love with it the same way as those who call it home, with our 24/7 team with you at every step. You’ll soon understand why we’re proud to be trusted by travelers since 1947. The Good Life.

The Difference You’ll Make

Part of our DNA is the commitment to making a difference in the places we visit. Our guests love learning, seeing, doing and immersing themselves in experiences and the lives of others through encounters that will be remembered.

Recognizing the important role we play as the world’s leading travel brand, 12 years ago our parent company The Travel Corporation (TTC) established the TreadRight Foundation, sparking a movement of awareness and action, so future generations have the privilege of enjoying the gift of travel.

TreadRight has a clear and simple message, to have a positive impact on the people and communities we visit, to protect wildlife and marine life, and to care for the planet we call home. In 2009, we launched JoinTrafalgar, powered by TreadRight’s philosophy, with the goal to use the positive power of travel to make travel matter.

When you choose to travel Trafalgar, know that you’re Making A Difference through supporting more than 50 organizations across the world, including Hawaii.

Not only do you have options to soak in the Hawaiian sun whenever you need it, and it’s important to us to support small business owners beyond peak travel times. 100 Years Of Making Travel Matter

With an appreciation for the 100 years past we’re looking forward to the next 100 and the new world we live in, with more drive to make a difference than ever before.

Our story began in 1920 at a small hotel in South Africa, my grandfather Solomon set us on the path of recognizing the need to support locals and businesses, the importance of sustaining destinations through year-round travel and importantly, to be Driven by Service through every single interaction. Through his hard work he inspired his son, Stanley, to build on these principles, which became The Travel Corporation (TTC), Trafalgar’s parent company.

This inspired my cousin Brett (TTC’s CEO) to create TreadRight, of which JoinTrafalgar was born out of, to take this vision to all new heights, and you’ll feel this ethos through each destination you travel with us.

We understand we can’t change the world, but it’s imperative we do our part to ensure that our impact is a positive one. Simply put, to Make Travel Matter. This belief underpins not only Trafalgar, but each and every one of TTC’s 42 award winning travel brands. Here are just 16 of them, each dedicated to protecting the people, places, wildlife and the planet we all share.

Gavin Tollman, CEO

As a family of brands, we’ve pledged to make travel matter in all that we do. We’d love you to read it and join us on our mission. Visit TreadRight.org and Trafalgar.com/joinTrafalgar
